

# WANTED

**RESPONSIBLE, CARING FOSTER HOMES  
FOR ANIMALS LIKE THESE**

**BECOME A FURRY FRIENDS NETWORK  
GUARDIAN ANGEL**

Furry Friends Network is a nonprofit, all-volunteer animal adoption organization. Furry Friends Network is not a shelter, and our animals are placed in foster homes while adoptive homes are found. Homeless and unwanted animals continue to occur in unending numbers, so there is always a need for more people to help. Furry Friends Network provides foster homes with total support, including food, medical coverage, training assistance and other educational requirements.
